Happy New Year!

Clean Streak

Campus Cleanup is a program for students, by students, designed to help beautify campus grounds and protect our wildlife. Created and led by Eco Reps, registered students will participate in a 3-hour litter pickup (training included). The event takes place once a month. Space is limited. Interested? Check out the [event page](#) and [sign up here!](#)

A Bee C, One Two Tree

The Office of Sustainability is kicking off 2020 by recertifying UT Dallas for **Tree Campus USA** AND **Bee Campus USA**! Both programs are implemented to raise awareness for species management, enhance habitats, develop community, and celebrate achievement. Our [Bee Campus USA](#) page contains more information on our Bee Campus USA committee, pollinator-friendly plants for our region, and pollinator events! Our [Tree Campus USA](#) page contains access to the UT Dallas tree inventory as well as information about our campus forest.
