Office of Sustainability

October 2021

Happy Campus Sustainability Month!

AASHE Campus Sustainability Month

AASHE Campus Sustainability Month is finally here, and we're so excited to share what makes UT Dallas a leader in sustainable efforts on campus. Check out our in-person events, virtual events, and social media challenges below to celebrate sustainability at UTD. [Read more >](#)

Eco Hub Launch

The Office of Sustainability is putting boots on the ground for our brand new, 20,000 square foot farm supporting food insecure communities. Our volunteers will be determining a planting and maintenance plan for the farm with the help of local gardening experts. In a few short weeks, these vegetables will be ready for donation to the Comet Cupboard and North Texas Food Bank. [Read more >](#)

The Green Convene

To all sustainability clubs on campus, the Green Convene is a collective of sustainability-oriented student clubs, professional organizations, and university sponsored groups that convene to discuss accomplishments in sustainability, cross-recruit members, and propose collaborative initiatives for several or all groups to develop. The theme for this fall is Unified Action Under the United Nations Sustainable Development Goals. Join us on October 27th from 5pm to 6:30pm. [Read more >](#)

Free E-Waste Recycling

October 12th from 12pm to 2pm. Dispose of your electronic waste, such as old computers, phones, tablets, printers, and more, sustainably and ethically. Meet us at the Plinth!

[View event >](#)

Campus Clean Up Event

October 16th from 9am to 12pm. This event is designed to help beautify campus grounds and protect our wildlife. Created and led by Eco Reps, registered students will participate in a 3-hour litter pickup. [Register here >](#)

College Cooking: Fall Season

October 19th from 12pm to 1pm. As we step into fall, join one of our Eco Reps virtually as she shares easy, college-friendly recipes using seasonal October produce. [Register here >](#)

Houseplant Horticulture

October 20th from 12pm to 1pm. This event is a guide to keeping your plants happy and alive. Topics will include choosing, caring for, and growing many types of indoor houseplants. [View event >](#)

Volunteers Wanted: FRN

The Food Recovery Network is looking for volunteers to help donate food from campus to a shelter that supports women in need. Please email jhm170000@utdallas.edu if interested.

The Greenhouse

Here you can find updates to the UT Dallas Eco Rep blog!

Campus Sustainability Month

What is it and how is UTD celebrating? Learn more from Eco Rep Yen.
